NAZARETH HOUSE

Cheltenham

Nazareth House Cheltenham is a care home registered by CQC to care for 63 older people requiring residential care. We provide a full staff, available 24 hours per day, able to offer health care services and support to our Residents whenever they are needed. One of our primary concerns is the spiritual and physical well-being of each Resident. We also offer Respite Care, Palliative Care & Dementia Care.

Our residents are treated with respect and their individuality is celebrated. They are encouraged to let us know their wishes and needs and for these to be delivered in a person centred way. The positive ethos of the Home is reflected when staff and residents become excited to learn of a new member joining the family. Arrangements for admissions will include, visits, consultation with family members, friends and professionals, as well as gathering information on the individual's preferences, practices, beliefs and values which establish the well-being and uniqueness of every person.

The home has spacious lounges and dining rooms which include facilities to provide refreshments for residents, families and friends. Menus are varied to cater for all tastes. We have beautiful fully accessible grounds and gardens. "Friends of Nazareth" is a group of volunteers who are dedicated to improving the lives of the Residents. The volunteers organize various fund raising activities throughout the year in which our residents become involved.

Facilities & what we offer

The Home offers a wide range of social activities including:

- Coffee mornings
- Outings to the theatre and boat trips on the local canals
