DROP OFF/PICK UP

Thank you to the parents who continue to use the front driveway entrance, entering from below, on San Diego Mission Road, for both drop off and pick up. **We ask that you try and NOT to use the Rancho Mission Road entrance (above the statue of Jesus), as traffic is backing up and causing a dangerous hazard.** Please remember that it is one way only up the hill from San Diego Mission Road. The staff is working hard to temperature check your children and get them to and from class safely.

TUITION ASSISTANCE PROGRAM NAZARETH SCHOOL OF SAN DIEGO – DEADLINE – APRIL 30

- ♥ Class set of iPad chargers
- ♥ Music for 1st and 2nd grade
- ♥ Class set of water colors for Kindergarten

April 16, 2021

Dear Wonderful Nazareth Parents,

Alleluia, Alleluia, Alleluia! Happy Easter!

“Do not abandon yourselves to despair.
We are the Easter people and hallelujah is our song.”

Pope John Paul II

Thank you to seventh grade for their presentation of the Resurrection of the Alleluia on Thursday! In our Catholic faith, Easter is the most important feast in the Liturgical calendar, even more important than Christmas. The Easter season continues on for 50 days, through the Ascension of Our Lord to Pentecost Sunday, seven full weeks after Easter Sunday.

In the spirit of helping others during this glorious Easter Season, please support the Nazareth School Tuition Assistance Program. The reimagined Nazareth School Spring Fundraising Campaign will begin on Monday, April 19th, please look for the kick-off email. The PTG will be generously matching the first \$10,000 in donations raised, for a total of \$20,000 toward the Tuition Assistance Program. Any additional monies raised above and beyond that amount will go directly toward the purchase of new iPads for students. Let us join together in the Nazareth Way and support our own Nazareth Community!

Applications are being accepted for Nazareth School Tuition Assistance for the 2021-22 school year. Nazareth School has created an account at FACTS Grant & Aid for Tuition Assistance, which is a financial needs-based program. All applicants must be enrolled in Nazareth School and the **deadline is April 30, 2021**.

We look forward to celebrating 6th, 7th and 8th grades academic success, during our next Academic Awards Ceremony, on April 22, 2021. In addition, thank you to fifth grade and Father Raymond Philip for the wonderful presentation of Friday Mass today.

Thank you in advance for respecting the new travel restrictions established by the state of California and embraced by the Diocese of San Diego, on April 2, 2021. Please see the COVID-19 symptoms, Decision Tree and Travel guidance's listed in our Nazareth News for details.

Enjoy reading the Nazareth News for important upcoming events, information and COVID-19 guidance's. If you have any questions or concerns please feel free to call the office at 619-641-7987, or email me directly at principal@nazarethschool.org.

God watch over our students,
God watch over our parents and families,
God watch over our teachers and staff!

God Bless,

Mrs. René Coons

Travel Advisory

Updated April 2, 2021

CDPH and the CDC recommend delaying travel until persons are fully vaccinated, because travel increases the chance of getting and spreading COVID-19. Travel threatens to exacerbate community spread within and beyond California —particularly because travel itself (especially the use of shared conveyances in air, bus, or rail travel) can increase a person's chance of spreading and getting COVID-19, including Sars-CoV2 variants of concern.

With over 18 million vaccine doses administered statewide, vaccines have made a difference and overall disease trends have improved dramatically over the past ten weeks. Case rates, test positivity, transmission rate, hospitalizations and ICU admissions have all declined since the winter surge. While we have made great progress, many states and countries are experiencing increasing levels of transmission, and it is imperative that California continue to take steps necessary to curb the spread of COVID-19 and contain new sources of infection until we can achieve higher levels of vaccination in California and beyond. The State is issuing the following recommendations, which supersede the Travel Advisory issued on April 1, 2021

- All travelers arriving in or returning to California from other states or countries should follow CDC travel guidance.
- All travelers who test positive or develop symptoms of COVID-19 should isolate and follow public health recommendations.
- Fully vaccinated travelers:
 - are less likely to get and spread COVID-19, and can travel safely within the United States and California
 - should follow CDC travel guidance, and are not required to test or quarantine before or after travel unless they have symptoms concerning for COVID-19 disease.

Non-Essential Travel of unvaccinated persons [i]

1. Except in connection with essential travel^[ii], Californians should avoid non-essential travel outside of California, to other states or countries unless they are fully vaccinated. Avoiding travel reduces the risk of virus transmission, including by reducing the risk that new sources of infection and, potentially, new virus strains will be introduced to California.
2. Non-essential travelers from other states or countries, are strongly discouraged from entering California, and should adhere to the quarantine procedures set forth below.
3. Non-essential travelers who are not fully vaccinated should get tested with a viral test 1-3 days before travel, and get tested 3-5 days upon arrival to their destination. They should stay home and self-quarantine for a full 7 days after travel, even if their test is negative.
4. Non-essential travelers who are not fully vaccinated and don't get tested should stay home and self-quarantine for 10 days after travel.

A Local Health Officer may determine if and when the situation within the Local Health Officer's jurisdiction warrants measures that are more restrictive than this statewide advisory, and retains authority to implement such measures.

CDPH will update these recommendations as more people are vaccinated, as rates of COVID-19 change, and as additional scientific evidence becomes available.

i "Non-essential travel" includes travel that is considered tourism or recreational in nature.

ii "Essential travel" is travel associated with the operation, maintenance, or usage of critical infrastructure or otherwise required or expressly authorized by law (including other applicable state and local public health directives), including work and study, critical infrastructure support, economic services and supply chains, health, immediate medical care, and safety and security. Persons who routinely cross state or country borders for essential travel do not need to quarantine.
