MARCH CALENDAR

February 23, 2021

Dear Parents,

It is hard to believe that registration time is here! This is the time when we begin our planning for the next academic year. Nazareth School will hold registration for the 2021-2022 school year March 15th through March 18th. Due to COVID-19 restrictions, this year we are only able to offer registration times after school, from 3:00-5:30 pm. If you are unable to register at one of those times, please contact the office for an appointment. This year, we are very fortunate and blessed to have waiting lists for several of our classes. Consequently, it is highly important that you communicate your family's intention to return for the 2021-2022 school year. **Please note:** The Registration Fees will increase to \$100 per child, from \$50, after March 18, 2021. We have indicated to interested families that we will begin New Family Registration on Friday, March 19, 2021.

The Congregation of the Sisters of Nazareth and school leadership would like to personally thank you for partnering with Nazareth School. This year has been full of challenges, and together we have reimagined our wonderful school. We have been able to proudly open Nazareth School to both in-person instruction and distance learning in a loving and safe environment, in order to support our entire community's needs.

Our reimagined Nazareth community has come together with the Halloween Trunk-or-Treat, Turkey-Trot, Christmas Video, and our sweet Grandparent's Day Program. In addition, via the magic of Zoom, we are able to join as a Nazareth Catholic family for Thursday Assemblies and Friday Masses. The Sisters of Nazareth Foundation and PTG have taken our school to the next technological level by purchasing new Chromebooks and additional iPads for our students. I am excited to announce that the Chromebooks are anticipated to be distributed next week. We have invested great time and effort to ensure they will be ready to support our excellent academic curriculum.

As a community, we recognize the financial sacrifices that families face when choosing to send their children to Catholic school. Our mission at Nazareth School is to provide all of our students with an exceptional Catholic education and prepare them to be excellent stewards in the future, by living our core values of love, hospitality, respect, compassion, patience, and justice.

The Sisters of Nazareth Foundation has covered the shortfall, and the unanticipated cost due to COVID-19. As a non-parish school, we do not have the financial backing of a parish, and we rely on the Foundation and our Nazareth School families. We will continue to identify areas to reduce costs without negatively impacting our students. It is our mission to ensure Nazareth School is financially viable.

For the school year of 2021-2022 we will be increasing tuition. The Sisters of Nazareth Foundation will continue to offer tuition assistance through the use of new [Grant and Aid qualification process through FACTS.](#)

Thank you for entrusting Nazareth School with the Catholic education of your children. With all of us working together as partners and with God's blessings, all things are possible. It is truly an honor.

God bless you,
