DROP OFF/PICK UP

Thank you to the parents who continue to use the front driveway entrance, entering from below, on San Diego Mission Road, for both drop off and pick up. **We ask that you try and NOT to use the Rancho Mission Road entrance (above the statue of Jesus), as traffic is backing up and causing a dangerous hazard.** Please remember that it is one way only up the hill from San Diego Mission Road. February 5, 2021

Dear Wonderful Nazareth Families,

Catholic Schools Week was a great celebration of our community, families, students, faculty and staff. Thank you to our parents, and students for making it a wonderful success.

Today we honor our amazing Grandparents by releasing a Grandparent's Day video created by every student at Nazareth School. We pray you will help us forward the video to all of the Grandparents who love and support our students. In addition, students have created cards for their Grandparents.

Nazareth School is having a sock drive during the entire month of February. All donations will go to the Alpha Project, a local San Diego charity that gives the socks directly to the homeless people on the streets. Students are asked to bring in new white adult crew socks. Make a difference in San Diego and help San Diegan's in need.

I wanted to extend a special thank you to the 7th grade, Mrs. Kinkead, Mr. & Mrs. Horning, and Father Bill for their extra efforts in making today's Mass successful. Also, we sent home in the family envelope the Star Testing results for your child(ren). Please feel free to reach out to your teachers if you have any question or concerns regarding the results.

On Monday, I sent out the revised Nazareth Return to School Plan. There are a few significant changes that have been mandated by the state of California. Please take a moment to re-read the plan and familiarize yourself with the changes (all new material is highlighted in yellow.) One of the most significant changes has to do with strict travel guidelines. Nazareth School would appreciate open communication about travel and potential exposure to keep everyone safe during this time.

It is as follows:

TRAVEL RESTRICTIONS (pg. 7)

The State of California has updated its travel policy with the following provisions:

- Non-essential travel (for recreational purposes) should be limited to 120 miles from the person's home.

With this in mind, please limit recreational travel to no more than 120 miles from your home. If you must travel outside of California or outside of the United States, you will need to quarantine for 10 days upon your return to California.

If you have any questions or concerns please feel free to call the office at 619-641-7987, or email me directly at principal@nazarethschool.org.

God watch over our grandparents,
God watch over our students,
God watch over our parents and families,
God watch over our teachers and staff!

God Bless,

Mrs. René Coons
Principal
