

Dear Nazareth Families,

I am excited to be joining this wonderful community. During this time of uncertainty, I commit to regular communication to keep you updated on the latest Nazareth School news.

I recorded a couple of short videos, while on campus my first week...I hope you enjoy!

I appreciate your understanding and flexibility as protocols continue to change in order to best serve our students. I am on campus Monday through Friday, until the first day of school, so please feel free to reach out: principal@nazarethschool.org or 619-641-7987.

For those of you who may have missed my May introduction letter, it is attached to this email. Just a reminder: Summer Packets are for student enrichment this year and completion is not required.

With a Happy Heart,

Mrs. René Coons
Principal
