NAZARETH SCHOOL DISTANCE LEARNING

Nazareth School will be offering distance learning for the entire year, for kindergarten through 8th grade classes, even after Nazareth returns to on campus instruction on September 1st. All classroom instruction will be live streamed, and children will be able to interact with their teacher via Zoom. Google Classroom and See Saw (K-2nd) will continue to be the preferred platform for assigning classwork, and homework.

Communication with our teachers will be the key to a successful year at Nazareth. As parents, you may choose to send your child for in person instruction, or keep them home for distance learning, for a short time or longer. The reality of the situation is students will catch a cold, have a runny nose, or have a sore throat and regardless will need to distance learn for the minimum of ten days before returning to on-campus instruction on day 11.

I am requesting that every parent please complete the Nazareth Distance Learning survey – linked below, so we may provide the best education for all of our students. Please return survey by Sunday, August 30.
