Greetings from our Sisters...

This month we demonstrate the Core Value of Love. Love motivated the care provided to the elderly and the young by Victoire Larmenier, Mother St. Basil. Like herself we too should have an unselfish concern for the good of others as shown and demonstrated by all of us through patience, kindness, trust, hope, endurance, truth and a strong affection. "Let your love for each other be real and from the heart" (1 Peter 1:22)
