CORE VALUE
Patience

Greetings from our Sisters...

Patience

“Blessed are the gentle for they shall possess the earth” (Matt 5:5)

During the month of May we demonstrate the Core Value of Patience; in our actions and behavior. Patience demands a great deal of self-control no matter who we are or what we are. The farmer, gardener, commuter, family member all needs to be patient for things to come to fruition, to come alive! Since we live in an “instant” society the art of patience needs to be developed! As the old adage states “Patience is a virtue” ...

We take this opportunity to welcome Bishop Joseph Brennan as our new Bishop and a happy retirement to Bishop Armando Ochoa. Wishing them many blessings.

As summer approaches we congratulate all graduates, that they be successful in their new endeavors, that all of us have a great summer wherever our travels take us.

Happy trails to one & all!!!
