

# Nazareth School

March 28, 2019

Dear Parents,

“Little green men” are the new visitors to the Nazareth School parking lot! No, we haven’t been invaded by aliens; just friendly characters with an important message: Slow Down! Recently, we have noticed an increase in speeding cars and drivers who are texting or talking on their phones. Taking care of our children is the responsibility of all. Please drive safely and know that the staff members who are requesting that you put away your phones or drive more slowly are doing so because they care about the safety of all of the children (and the adult members of our community, too)!

Today, our email server was updated. We have been assured that the transition to a new program will be seamless. If however, you do not receive a response to an email or if the mail is returned to you, please contact the school office and we will pass the message along to the appropriate teacher or staff member. As with all things IT, we ask your patience.

Tomorrow, the K – 8 teachers will be participating in a Diocesan Professional Learning and Development Day and the Preschool teachers will be spending time in their classrooms preparing for the 4<sup>th</sup> Quarter. It is one of our Schoolwide Learning Expectations that our students become Lifelong Learners; this also applies to our teachers. Thank you for your support and patience as we take this time to enrich our skills and plan with one another the ways that we can continue to provide an excellent education for our children.

It’s time for the long-awaited Talent Show! Many of our students are incredibly talented and we are blessed that so many are willing to share their talents with the community. Singing, dancing, and instrumental scores will not only highlight the students’ gifts, but also the variety of backgrounds and interests that are appreciated by our students. The Talent Show finale will showcase 8<sup>th</sup> grade as well; this is a tradition that celebrates the 8<sup>th</sup> graders as they begin their transition to high school. Thank you to Mrs. Rose and Mrs. Valenti for their coordination of the event, and to the many volunteers who will facilitate tonight’s show.

Blessings,

Dr. Colleen Mauricio  
Principal
