

Nazareth School

October 12, 2018

Dear Parents:

This autumn brings times of change to our governance structure at Nazareth School. Yesterday, we bid a fond farewell and thank you to Sr. Mary Anne Monaghan, the Superior General of the Sisters of Nazareth. Sr. Mary has led the international council headquartered in Hammersmith, England for 12 years. During that time, she has made several visits to Nazareth School and encouraged our growth and affirmed the many school practices that reflect Nazareth traditions and the Nazareth Core Values. Sr. Mary has also been instrumental in her encouragement of our growth, especially in terms of the renovations of our physical plant and environment. We are deeply grateful to Sr. Mary for her leadership and support, and wish her many blessings as she resumes her ministry in her home country of Australia.

Sr. Brenda McCall is assuming the leadership of the General Council. Sr. Brenda has visited Nazareth School, San Diego in the past. We look forward to her future visits and offer prayers for her and the new Council as they continue to guide the Nazareth ministries throughout the world.

At the end of September, John Williams, CEO of Nazareth Care, the corporate entity that includes the Nazareth Houses in San Diego, Los Angeles, San Rafael and Fresno, and Nazareth School, retired after nine years of service. Mr. Williams has also been instrumental in encouraging and supervising the many improvements to the physical plant of Nazareth School. We wish Mr. Williams a happy retirement and thank him for his service to our school.

Mrs. Barbara Anne Crowley is the newly appointed CEO of Nazareth Care. Mrs. Crowley has been the Executive Director of Nazareth House, San Diego for many years. Her daughter Anne Burke is a member of the Nazareth School Class of 2014. Mrs. Crowley actively supports the programs of Nazareth School and expresses a fondness for the experiences her daughter had here as a student. The School Staff and I look forward to working with Mrs. Crowley as Nazareth School continues to serve our students and their families.

In my discussions with members of the Congregational leadership, our thoughts always return to how best can Nazareth School serve its children and their families. All of our leaders, past and present, share the commitment to provide each child with an excellent education and a strong spiritual foundation based on the tenets of our faith and the practice of our Core Values. At Nazareth School, we are truly blessed with the dedication of many people who work to provide our children and their families with this experience and blessing.

Blessings to you and your families,

Dr. Colleen Mauricio
