Dear Parents:

Fall Family Bingo was a great celebration of our community! Lots of prizes were awarded, but the best prize was the experience of the energy and enthusiasm of our community sharing pizza, daubers and family fun. Staff members contributed to the fun calling the games with gusto and, as they did last year, the students kept asking for “just one more” game. Congratulations to all the participants who won prizes. Jaden Burchell and her family won the final game and the grand prize. Many thanks to our spirited PTG team who served dinner and organized the event – great job – thank you all!

The excitement of the games overshadowed any attempts to have a business meeting prior to the Bingo. A couple of things to note:

- The Nazareth Cup Golf Tournament has tentatively been scheduled for March 20. More details will follow.
- We are still in need of volunteers to help organize the Golf Tournament and Nazareth Night. If you are interested, please contact a member of the PTG Board or the office.
- There is a planning meeting for the Halloween Carnival next Wednesday, September 25. Volunteers are always needed for this annual family event. This is a school-wide celebration involving booths and activities sponsored by every class.
- Mark your calendars! Our next PTG-sponsored event is the Fall Family Picnic. The picnic will be Friday, October 11.
- You can contact the PTG Board through email if you would like to volunteer to help with events or if you have ideas to share. The address is nazarethschoolptg@gmail.com.

Next Monday and Tuesday, the principals of the Catholic schools in our diocese will be gathering for our annual retreat. Please keep me and my colleagues in prayer as we gather to celebrate and renew our commitment to Catholic education. On Wednesday, I will be meeting with the Executive Directors of the Nazareth facilities in California. Our meeting will help us to support one another and the leadership of Nazareth ministries as we assist all who provide services to those who are part of the Nazareth communities. Mrs. Lacey will be available to address immediate concerns; I ask your patience as I respond to emails and questions when I return. Know that throughout the week, you and your families will be in my prayers.

Blessings,

Dr. Colleen Mauricio
